

GREGORIAN PUBLIC SCHOOL, MARADU

ANNUAL REPORT (2017-18)

I am pleased to share with you the 20th Annual Report of Gregorian Public School. As I read through the report you will notice that it was a great year for the school. This resulted partly from the effort from our staff in opening new avenues for students and partly from the eagerness our students showed to grab those opportunities. More than anything though, this was the result of the incredible foresight and leadership by our mentor H. G. Joseph Mor Gregorios. We all owe His Grace a tremendous debt of gratitude.

Before I begin, let me acknowledge the service and contributions of all the principals and staff who served this institution, which made the foundation of this school really strong.

Human Resources

We started the year with 1715 students and a dedicated team of 90 teaching faculty who sets a strong academic back up for students. In addition to this we have 10 part time teachers who impart coaching in specialized skills like yoga, chess, dance (classical and western), percussion stringed instruments, skating, swimming etc. 70 members of the non-teaching section set the school work like a clock.

Infrastructural development

A Synthetic football turf was inaugurated on 17th September 2017 by His Grace Joseph Mor Gregorios Metropolitan. Two state of the art basketball courts are getting ready for use by the beginning of next academic year.

Grade X followed Continuous and Comprehensive Evaluation and were given grades by CBSE, Again an all-time high performance – 28 students passed out with A1 grade in all subjects.

Beyond the class room activities

At Gregorian, we aim to educate the whole child – academic training is only a part of the wider plan. Students from grade III to XI are given club activities as per their choice in 3 categories, according to their age. Once a month, generally a third Saturday they enter the school campus without books and acquire a skill they like. Hence the learning is complete 100% ! Students get to mingle and interact with the resource people for the day, many of whom are our own parents. I take this opportunity to thank all those parents who hold our hands to make our club activities a grand success. The topics are wide and varied from Home Economics to cooking, journalism to web designing, movie makers and quizzing, stitching a button to making a welcome drink, sculpturing and art facts, washing and ironing to gardening. The activities include all kinds of sports – Table Tennis, Cricket, Volleyball, Football and Basketball.

Sports and Games

Sports and games are given due importance. Other than the time table wise allotment for PT and games, special coaching is given to promising players in basketball, football, cricket, swimming and chess after school hours.

Interschool competitions

The best method to hone the talents of our students is to let them rub their shoulders with the best ones in other schools. Our students took part in interschool cultural events and sports tournaments. Some of them came back as achievers too.

Major achievements are:

Under 19 Boys Table Tennis team bagged the Runner up Trophy in the tournament instituted by Vidyodaya School. Under 14 Girls also won the Second Runner up trophy.

Conclusion

Before I wind up this report, let me place on record our gratitude to all those who made it happen.

Our mentor navigated a path for Gregorians that protected key priorities while investing strategically on developing infrastructure. He rallied everyone – staff, students and parents – to think and work creatively. We thank you, Your Grace, from the bottom of our hearts for your guidance.

Rev. Fr. Baby Chamakkala Corepiscopa always keeps us on track, guiding and correcting us whenever needed. Thank you Father.

I take this opportunity to thank the Board of Trustees for being here to appreciate and support us.

Parents, the greatest asset of this school is the rapport the school has with parents. Their support and tips were really valuable.

This is my opportunity to place on record my sincere appreciation for the administrative team which include Vice Principal Rev. Fr. K M George, Academic Vice Principal Mr. Vinumoan K. Mathew and Administrator Mr. M.K. George.

I would like to thank our team of colleagues, both teaching and non-teaching, who support us and assist us tirelessly throughout all my endeavours.

Before I conclude let me submit myself to Almighty God and seek his blessings on this institution.

Thank you very much once again!

Mrs.JayaPrabha Pradeep
